MONARO.CO.UK · 2026 REPCO SUPERCARS CHAMPIONSHIP

THE FINALS: YOUR ONE-PAGE GUIDE

HOW IT WORKS

1. **Ten drivers, three rounds, one title.** Only the top ten after Bathurst are in.
2. **Points reset every round.** Each round is worth 300 points, plus a starting bonus for where each driver stands coming in: 150 for first, then 120, 96, 78 and down to 21 for tenth.
3. **Three out, then three more.** The bottom three go after the Gold Coast and three more after Sandown. Four reach Adelaide, and whoever scores most that weekend is champion.
